

# BOROLIFT

## GUARANTEED ANALYSIS

Boron.....10%

Derived from Boron MEA, Boric Acid

## General Information

BoroLift is a premier boron-sulfur nutrient solution designed to unlock the full potential of your crop management program. BoroLift is a clear liquid containing essential boron, specially formulated to be the leading boron-based product in the agricultural industry. It is compatible with various nutrient solutions and comprehensive liquid fertilizers that are neutral to slightly acidic. BoroLift's adaptability makes it ideal for use in both clear liquid blends and suspension fertilizers.

BoroLift enhances crop yields and maximizes fertilizer investment by improving the boron-sulfur balance, essential for high-yield targets in crops like corn and soybeans. It facilitates the solubilization of phosphorus and key micronutrients such as zinc, manganese, iron, and copper, promoting optimal plant uptake. BoroLift contains boron in a readily absorbable form and sulfur as thiosulfate, providing dual oxidation states that offer enhanced availability pathways, aligning with the sulfur uptake patterns of most plants. Upon soil application, BoroLift begins to convert to more plant-accessible forms, ensuring effective nutrient delivery and sustained crop health.

**Excessive application may result in crop injury. Do not exceed recommended application rate.**

## Conditions of Sale, Limitation of Warranty & Liability

Limitation of Liability: In no event shall the seller or manufacturer be liable for special, incidental, or consequential damages or damages in the nature of penalties. Seller or manufacturer shall not be liable to the buyer, by way of indemnification to customer or buyer, if any, for any damages, sums or money, claims or demands whatsoever, resulting from or by reason of, or arising out of the misuse or the failure to follow label warnings or instructions for the use of the goods sold by the seller or manufacturer to the buyer. Buyer's or user's exclusive remedy and seller's or manufacturer's total liability shall be for damages not exceeding the cost of the product.

Warranty Disclaimer: ineffectiveness or other

unintended consequences may result from such factors as the presence of other materials or the manner of use or application, all of which are beyond the control of the seller or manufacturer. In no case shall the seller or manufacturer be liable for consequential, special, or indirect damages resulting from the use or handling of this product. The buyer or its customers shall assume all such risks. Tests have not been carried out under all possible conditions, and the seller or manufacturer cannot and does not warrant that the products are compatible with all other chemicals. The seller or manufacturer warrants the material is adequately contained, packaged, and labeled and conforms to the affirmation of fact made on the container and label. Seller or manufacturer makes no other warranties, guarantees, or representations of any kind, either expressed or implied, or by use of trade, statutory or otherwise, with regard to the product sold, including, but not limited to merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage.

AgriTec, Int. and Seller offer this product, and Buyer and User accept it, subject to the foregoing conditions of sale or limitations of warranty and of liability, which may not be modified except by a written agreement signed by a duly authorized representative of AgriTec, Int.

## CAUTION!

KEEP OUT OF REACH OF CHILDREN  
DO NOT SWALLOW. STORE BELOW 120 DEGREES F.

Please dispose of  
contents properly

2.5 U.S. Gallons (9.46 liters)  
Net Weight: 27.5 lbs. (12.5 kgs)  
Density: 11 lbs/gallon @ 68 degrees F

All liquid fertilizers must be applied using liquid fertilizer spraying tips.

Store out of direct sunlight and shake well before using. Always do a compatibility check to ensure proper mixing.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapco.org/metals.html>
