

FOLIAR-ACT

Grade 1-0-0

GUARANTEED ANALYSIS

Total Nitrogen (N).....1.00%
1.0%...Urea Nitrogen

Boron (B).....0.03%

Chelated Cobalt (Co).....0.002%

Soluble Manganese (Mn).....0.10%

Molybdenum (Mo).....0.002%

Soluble Zinc (Zn).....0.05%

Derived From: Urea, Boric Acid, Cobalt MEA, Manganese Sulfate, Ammonium Molybdate, Zinc Sulfate

Non-plant Food Ingredients: Foliar-Act contains soil and plant stimulants derived from naturally occurring bacteria and fungi.

Boron Warning

This fertilizer is intended for use on alfalfa, almonds, avocados, apples, bananas, beets, berries, brussel sprouts, cabbage, carrots, cauliflower, celery, citrus, clover, coffee, corn, cotton, grapes, lettuce, grain sorghum, melons, okra, peaches, pecans, peppers, potatoes, peanuts, rice, sorghum, soybeans, sugar beets, sweet corn, sugar cane, strawberries, tobacco, tomatoes, watermelons, and wheat.

Use of this fertilizer on any other crops or under conditions and rates other than those recommended may result in serious injury to the crops.

Directions For Use

Apply Foliar-Act at rates of 1-2 pints per acre beginning at the early vegetative stage of growth with applications continuing through crop maturity. Spray when crops are actively growing after irrigation or natural rainfall. Spray early in the morning or late in the afternoon when mid-day temperatures do not exceed 85 degrees F to ensure optimum performance and leaf absorption. Foliar fertilization is intended as a supplement to a regular fertilization program and will not by itself provide all the nutrients normally required by agricultural crops.

Apply every 4-6 weeks or as needed.

Mixing Instructions

1. Put 2/3 water in tank.
2. Add correct amount of Foliar-Act.
3. Add other chemicals or fertilizers, if any.
4. Fill tank with balance of water and agitate until mixed.

Product should be applied in the cool of the day in temperatures under 80 degrees F.

Molybdenum Warning

Caution: This fertilizer is to be used only on soil which responds to molybdenum. Crops high in molybdenum are toxic to grazing animals (ruminants).

Conditions of Sale, Limitation of Warranty & Liability

Limitation of Liability: In no event shall the seller or manufacturer be liable for special, incidental, or consequential damages or damages in the nature of penalties. Seller or manufacturer shall not be liable to the buyer, by way of indemnification to customer or buyer, if any, for any damages, sums or money, claims or demands whatsoever, resulting from or by reason of, or arising out of the misuse or the failure to follow label warnings or instructions for the use of the goods sold by the seller or manufacturer to the buyer. Buyer's or user's exclusive remedy and seller's or manufacturer's total liability shall be for damages not exceeding the cost of the product. Warranty Disclaimer: ineffectiveness or other unintended consequences may result from such factors as the presence of other materials or the manner of use or application, all of which are beyond the control of the seller or manufacturer. In no case shall the seller or manufacturer be liable for consequential, special, or indirect damages resulting from the use or handling of this product. The buyer or its customers shall assume all

such risks. Tests have not been carried out under all possible conditions, and the seller or manufacturer cannot and does not warrant that the products are compatible with all other chemicals. The seller or manufacturer warrants the material is adequately contained, packaged, and labeled and conforms to the affirmation of fact made on the container and label. Seller or manufacturer makes no other warranties, guarantees, or representations of any kind, either expressed or implied, or by use of trade, statutory or otherwise, with regard to the product sold, including, but not limited to merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage.

AgriTec, Int. and Seller offer this product, and Buyer and User accept it, subject to the foregoing conditions of sale or limitations of warranty and of liability, which may not be modified except by a written agreement signed by a duly authorized representative of AgriTec, Int.

CAUTION!

KEEP OUT OF REACH OF CHILDREN
DO NOT SWALLOW. STORE BELOW 120 DEGREES F.

Please dispose of
contents properly

55 U.S. GALLONS (208.2 liters)
Net Weight: 489.5 lbs (222 kgs)

275 U.S. GALLONS (1,040.88 liters)
Net Weight: 2447.5 lbs. (1110.2 kgs)

Density: 8.9 lbs/gal at 68 degrees F

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

All liquid fertilizers must be applied using liquid fertilizer spraying tips.

Store out of direct sunlight and shake well before using. Always do a compatibility check to ensure proper mixing.
