

YIELD MAKER

Grade 2-0-2

GUARANTEED ANALYSIS

Nitrate Nitrogen (N).....	2.4%
Soluble Potash (K ₂ O).....	2.1%
Boron (B).....	0.53%
Cobalt (Co).....	0.0059%
Manganese (Mn).....	0.87%
Molybdenum (Mo).....	0.07%
Zinc (Zn).....	1.04%

Derived From: urea ammonium nitrate solution, potassium nitrate, boric acid, cobalt chloride hexahydrate, manganese sulfate, ammonium molybdate, zinc sulfate monohydrate, and sea kelp extract.

Directions For Use

Shake well or agitate before use. Apply as a foliar spray or through fertigation to actively growing crops. For best results, apply during early vegetative to reproductive growth stages. Use 1–2 quarts per acre in sufficient water for thorough coverage. Can be mixed with most fertilizers and pesticides; perform a jar test prior to mixing. Do not exceed recommended rates.

Storage & Handling

- Store in a cool, shaded location. Avoid prolonged heat or sunlight.
- Shake or agitate before use if product has settled.
- Mix only with compatible materials. Jar test before combining with other fertilizers or pesticides.
- Apply within 6–8 hours of dilution when used in tank mixes.

Product should be applied in the cool of the day in temperatures under 80 degrees F.

Danger!
Do not swallow!
May cause skin irritation
May cause respiratory irritation

Conditions of Sale, Limitation of Warranty & Liability

Limitation of Liability: In no event shall the seller or manufacturer be liable for special, incidental, or consequential damages or damages in the nature of penalties. Seller or manufacturer shall not be liable to the buyer, by way of indemnification to customer or buyer, if any, for any damages, sums or money, claims or demands whatsoever, resulting from or by reason of, or arising out of the misuse or the failure to follow label warnings or instructions for the use of the goods sold by the seller or manufacturer to the buyer. Buyer's or user's exclusive remedy and seller's or manufacturer's total liability shall be for damages not exceeding the cost of the product.

Warranty Disclaimer: Ineffectiveness or other unintended consequences may result from such factors as the presence of other materials or the manner of use or application, all of which are beyond the control of the seller or manufacturer. In no case shall the seller or manufacturer be liable for consequential, special, or indirect damages resulting from the use or handling of this product. The buyer or its customers shall assume all such risks. Tests have not been carried out under all possible conditions, and the seller or manufacturer cannot and does not warrant that the products are compatible with all other chemicals. The seller or manufacturer warrants the material is adequately contained, packaged, and labeled and conforms to the affirmation of fact made on the container and label. Seller or manufacturer makes no other warranties, guarantees, or representations of any kind, either expressed or implied, or by use of trade, statutory or otherwise, with regard to the product sold, including, but not limited to merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage.

AgriTec, Int. and Seller offer this product, and Buyer and User accept it, subject to the foregoing conditions of sale or limitations of warranty and of liability, which may not be modified except by a written agreement signed by a duly authorized representative of AgriTec, Int.

CAUTION!

KEEP OUT OF REACH OF CHILDREN
DO NOT SWALLOW. STORE BELOW 120 DEGREES F.

Please dispose of contents properly

2.5 U.S. GALLONS (9.46 liters)
Net Weight: 27.15 lbs (12.29 kgs)
Density: 10.86 lbs/gal at 68 degrees F

All liquid fertilizers must be applied using liquid fertilizer spraying tips.

Store out of direct sunlight and shake well before using. Always do a compatibility check to ensure proper mixing.
